

INTEGRATED PRODUCT SOLUTIONS

Get to market faster with our turn-key services

Market-Ready Formulations

Get to market faster with our library of capsule formulations:

- 100+ market-ready formulas for face, body, bath and hair care
- Diversified, "ready-to-go" formulas for treatment make-up
- Fast development path for fine fragrance and essential oil encapsulation

Deep Development Expertise

We have deep development expertise to deliver effective and differentiated formulations, with flexible services that allow you to either:

- Provide your own fill formulation for encapsulation,
- Offer your own base formula for continued development to your unique specifications, or
- Leverage our library of formulas and customize to your needs and preferences

Integrated Packaging Services

Our dedicated packaging services include creative and innovative packaging proposals for a range of forms:

- Jars and tubes
- Blisters in folding boxes or wallets
- Thermoformed packs
