

VITAMIN C 20% COSMOPOD® TWIST-OFF CAPSULES

Product Description

High potency Vitamin C 20% CosmoPod® Twist-Off Capsules delivers a highly concentrated, effective amount to the skin for best results. This scientifically designed formulation combines the power of pure Vitamin C and Plant Stem Cells to reduce the signs of aging.

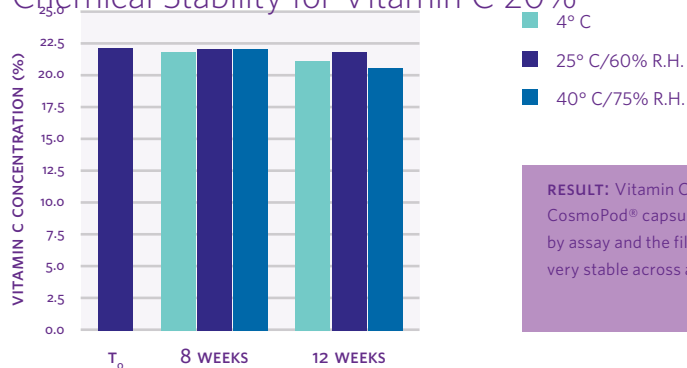

Clinical Results Across All Tested Conditions Based on Instrumental Data

Mean variation of improvement vs. initial conditions (%)

RESULT: After 8 weeks of treatment, the product was found to significantly improve skin firmness and elasticity, appearance of dark age spot and skin radiance, while significantly decreasing skin roughness, wrinkle depth and lifting-up facial contour.

Chemical Stability for Vitamin C 20%

RESULT: Vitamin C 20% fill inside the CosmoPod® capsules was analyzed by assay and the fill was found to be very stable across all test conditions.
