

## SMOOTH & PLUMP CROSS-ACTION SERUM

### Introducing Catalent's Smooth & Plump CosmoPod® Twist-Off Capsules

#### Product Description

Advanced cross-action formula targets multiple layers of the skin to blur, re-surface, plump skin lipids and moisture, repair and protect skin from the effects of aging.

This specially designed formula gets deep within the different skin layers to masque and repair the age-related skin imperfections, while also protecting skin against daily aggressions.

ACTING ON DIVERSIFIED SKIN LAYERS	INGREDIENTS	HOW IT WORKS	BENEFITS
Superficial layers	Hyaluronic Acid Microspheres	Increases their volume interacting with skin moisture	Smooth wrinkles appearance inside out like a spring Blurs fine lines & wrinkles
	Microspheres with Ceramide III	Delivers optical blurring thanks to a spheroidal delivery system Improves the skin barrier replenishing the intracellular skin lipids	Reduces TEWL, plumps skin fine lines & wrinkles though increased moisture level and protection
Medium layers	Shea Butter Unsaponifiable	Improves the skin barrier replenishing the intracellular skin lipids	Reduces TEWL, plumps skin fine lines & wrinkles though increased moisture level and protection
	Retinol	Resurfaces skin, increasing cells turnover Stimulates Collagen biosynthesis and protects from its degradation	Fresh look and even tone Wrinkles & fine lines reduction Increasing skin tonicity and elasticity
Deeper layers	Peptides Blend	Cutaneous repair process, thanks to synthesis of extracellular matrix macromolecules (Collagen + HA) and restoring younger cellular metabolism	Wrinkles & fine lines reduction Increasing skin tonicity & elasticity
	Sesame Extract	Activates the adipogenesis synthesis, storing fats like in young skin	Refill wrinkles & cutaneous folds through a plumping effect from deeper inside
