

STAY YOUNG OVERNIGHT MASK

Introducing Catalent's Stay Young Overnight Mask CosmoPod[®] Twist-Off Capsules

Product Description

Advanced multisensorial skin care mask with high potency natural antioxidants formulated in a thermal oil for better effectiveness against overexposure to oxidative stress that we face daily. This oil based night treatment turns into a light milky emulsion when activated by water and massage. It delivers a gentle warming effect that promotes skin oxygenation and enhances ingredients efficacy. Scientifically designed for night application, as this is the perfect time to recover from photo-ageing damage. It helps to recover the signs of accelerated ageing, improving skin hydration, elasticity, firmness, smoothness, tone and pore visibility.

INGREDIENTS	HOW IT WORKS	BENEFITS
Pre-Emulsion of non-ionic emulsifiers containing lipodic nanocapsules)	Allows instant emulsion when blended with water	Voluptuous sensorial effect of immediate milky emulsion
Lipidic structure Nanocapsules containing Resveratrol, Pomegranate Seed Oil and Vitamin E derivative:	Responsible for structure stability and function of Nanocapsules Protects actives from oxidation and instability	Improves active effectiveness
Resveratrol	Helps to improve the dermis organization and structure More powerful antioxidant (x17) than Idebenone	Improves skin firmness & elasticity Reduces fine lines & wrinkles Helps to contrast accelerated aging Improves hydration, suppleness, brightness and luminosity
Pomegranate Seed oil (Punica granatum)	Antioxidant, protects the formulation and the skin from oxidation	Improves skin elasticity and hydration Emollient
Vitamin E derivative	Powerful antioxidant. Protects skin lipids and proteins from oxidation	Helps to fight accelerated aging
Vanillyl ether	Warming effect, by increasing local microcirculation	Helps to improves skin oxygenation

SUPPLY

COSMETIC EFFICACY TESTING

NUMBER OF TESTED SUBJECTS:
30 total (10 smokers)

AGE: Between 30 and 65 years

DURATION: 12 applications

SEX: Female

APPLICATION AREA: Half face and neck

FREQUENCY: 3 times per week

CHECK POINTS (NUMBER OF APPLICATIONS): T0, T1, T3, T6, T12

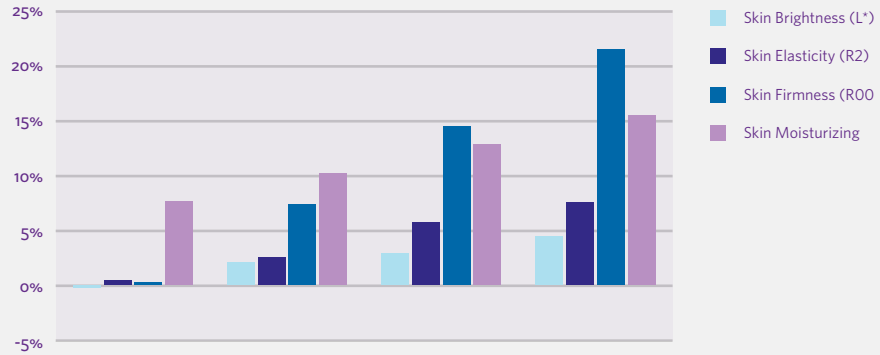

EFFICACY STUDY INSTRUMENTAL EVALUATION

- Wrinkle reduction and skin smoothness improvement are visible after 3 applications (Antera 3D)
- Pore size and visibility reduction is noticeable after 3 applications (Visioface Quick)
- Visible improvement of uniformity of microcirculation and redness reduction after 3 applications (Antera 3D)
- Improvement in skin luminosity and skin tone uniformity has been noticed after 12 applications (Visioface Quick- UV Light Analysis)

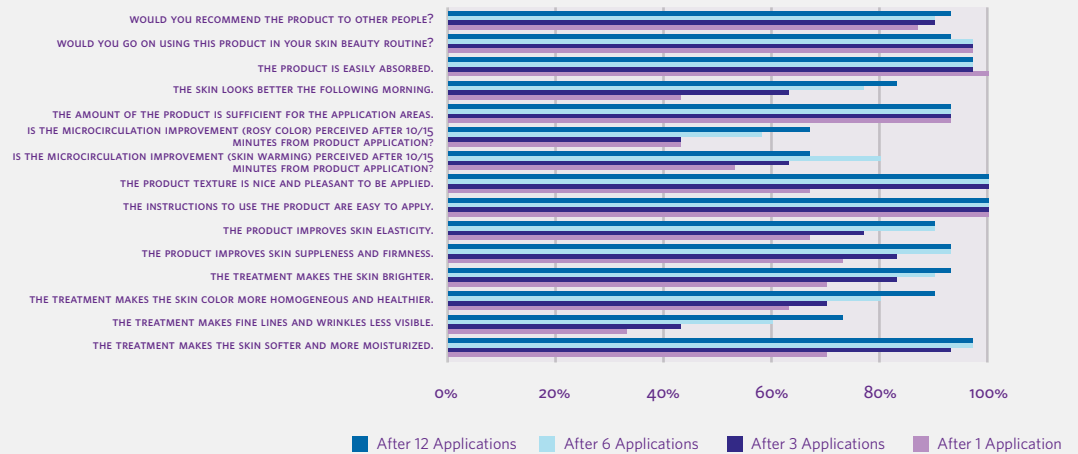

RECOMMENDED USE

- Twist or snip-off capsule neck to open and apply evenly on clean and dry face.
- Wet fingers and massage face until it forms into a soft milky emulsion and a warming effect is perceived.
- Leave on overnight. For best results, use at least 3 times per week.
- Avoid contact with eyes. Wash hands after face application is completed.

EFFICACY STUDY RESULTS

EFFICACY STUDY - SUBJECTIVE EVALUATION

Safety Studies Carried Out

- Human Open Test Under Dermatological Control

CONCLUSION: THE PRODUCT HAS GOOD COMPATIBILITY

Stability Studies

Has been performed on Glass and PET jars according to the table below:

CONDITIONS	1 MONTH	2 MONTHS	3 MONTHS
4°C	X	X	X
25°C — 60% R.H.	X	X	X
30°C — 65% R.H.	X	X	X
40°C — 75% R.H.	X	X	X

CONCLUSION: ALL TEST CONDITIONS WERE FOUND TO BE ACCEPTABLE
